Dear Parents,

Music helps to reduce anxiety and helps in improving mental alertness and memory.

Competitions provide a platform for children to interact with their peers, helping them develop social skills such as teamwork, empathy, and cooperation. Group singing encourages collaboration that leads to feelings of comfort and ease within the group, which encourages students to explore their ability to engage with their own emotions. As they rehearse in groups they learn to collaborate, listen, and understand others, promoting healthy social interactions.

Keeping this in mind we have organised **Cappella Singing Competition** for our students of **Grade VI to IX** on **Friday, 26th April' 2024**. Students will participate in a group of 4 to 5 students. Singers will not be given any background music or instrumental sound for the competition.

Last date of registration is 12th April' 2024. Maximum participation is anticipated.
